\_\_\_\_\_ For ANY patient who may be consulting in this office with regard to cancer / integrative oncology care, they should be aware that the laws of the State of Washington restrict the

primary treatment of cancer for patients with cancer diagnoses to physicians who are MD or DO licensed. The physicians at the Ayurvedic and Naturopathic Medical Clinic are licensed naturopathic physicians (ND or NMD).

Any involvement in diagnosis, treatment or other means by healthcare providers who do not have MD or DO qualifications should be considered adjunctive or ancillary care. It is always advisable for patients with cancer to seek the advice and care of a qualified Oncologist, but to fulfill the requirements for Washington must at least have a health care relationship with an MD or DO physician.

BY INITIALING ABOVE I acknowledge that I have been informed of the law in the State of Washington regarding primary cancer treatment, and as a patient will direct my healthcare in whatever way best suits my own personal needs and desires.
